|          | 3.1 | It was resolved that Castlethorpe Parish Council, subject to seeing the associated planning application, would support a Change of Use for the Carrington Arms from a public house to a 4/5 bedroom dwelling with an annex to the rear. The Council are concerned that the exterior should be preserved, that it should not be used as a house in multiple occupation and that parking should be provided within the property itself for the householders as there is very limited on-street parking – proposed by Cllr Ayles and agreed unanimously |
